Re: The Authors Guild, Inc. et al v. Google Inc, Case No.05 CV 8136 (S.D.N.Y.)

Dear Judge Chin,

The Federación de Gremios de Editores de España ("FGEE") is a private entity representing the interest of the publishing sector in Spain. We are writing to you in regards to the proposed Settlement Agreement of the class action copyright infringement litigation brought by the U.S. Author's Guild and others against Google Inc (hereinafter the "Settlement").

The FGEE represents ten regional associations of publishers in Spain that have around 885 publishing houses as members which corresponds to over 90 percent of the Spanish book market. The member publishing houses of the FGEE are members of the class as they own or control rights in books or inserts as defined in the Settlement.

We would like to join the objections against the Settlement presented by the Associazione Italiana Editori ("AIE").

Respectfully yours,

Antonio M. Arias
